Questions? Contact the Church Office at (586)264-4692

Course Title: Alpha Training
Day & Time: Thursday at 6:30 PM
Instructor: Mike Legato

If you're looking for a place to fit in ministry at Fellowship, check out the Alpha Training sessions. We'll meet to discuss what is involved in the running a smooth Alpha course.

Some of the things we will cover are:

- ❖ Greeting and meeting attendees
- ❖ Helping to facilitate a small group
- ❖ The key elements that make the Alpha program

Course Title: MediaShout Training
Day & Time: Mondays at 7:00 PM
Instructor: Mike Miller

Course Description: Join the ministry team of people that effectively use visual media tools on the computer during Sunday morning services and special events. You will be taught the ins and outsides of using MediaShout at Fellowship Chapel. You'll learn:

- How to use the Crew Members in the Crew Box – in building a script and displaying important media elements on the fly.
- You will see the flexibility of MediaShout in creating Scripts by using all the power of Cue
- Templates and the Cue Properties Box.
- You will be shown how to import songs directly into MediaShout, and more.

This class is for all people presently working with MediaShout and for new people interested in learning to use MediaShout.
